

Fall Is Here!

Oct. 2018

Newsletter is Now Here!

Hi everyone, my name is Jeff and I am the youth ministry intern currently serving with the young men and women of our church who will develop to be our future leaders and influences around the world!

I would like to welcome you all to the newsletter that I will hopefully be able to continue sending out monthly with some updates of the kids and with pictures of our activities leading up to the month.

It has been a transition period since I have moved out to California and still getting to know the kids and how the flow of the year will go, but I am prayerful and excited of the ways that God will continue to move!

There are many things to still learn and ministry is always exciting in the fact that you explore new ways to build a community with the kids and also to help them to feel a part of the community and grow together.

"¹⁶ Rejoice always, ¹⁷ pray continually, ¹⁸ give thanks in all circumstances; for this is God's will for you in Christ Jesus."¹ 1 Thes. 5:16-18

Game Night

Unscrambling Scripture

Above is a small snippet of last weeks game night. The kids had to dig through a bowl of cereal and pull out all the paper portions of a Bible verse and unscramble it together.

It was a night of running around, pandemonium, but also a good time of worship and a chance to unwind from the busy week and their schedules.

We look forward to the social events every month that will give the kids opportunities to laugh and play together, but also a chance to bring friends into the community here to enjoy fellowship and fun!

VBS 2018

Vacation Bible School was an exciting week-long camp back at the end of summer. It was great to welcome 30 Jr. high kids and see half of them in our youth group now! I am blessed to be able to work with the young kids who have moved into our youth group with so much energy and passion, and I hope to direct them towards God as they continue to come out.

Please be praying for these young ones who are new to the youth, that they can find their place, feel at home, and develop solid relationships at church. Also, be praying for the kids who were here for VBS but may not have been coming after that week.

Our current plan for the coming month, which will be updated on the website for future reference:

26	Time Capsule
Nov 2	Social (TBD)

Please feel free to contact me by email or by phone: Jeffrey.fai.chan@gmail.com or 734-934-8522

And for any updates or information, we are working on our website to keep it up to date and have all the latest on details for our activities by the month.
